

ATTENTION MEMBERS!
IMPORTANT ANNOUNCEMENT!
SYSTEM UPGRADE!

USA One will be upgrading our data processing system on **Wednesday, July 30, 2008**. This upgrade will allow us to meet the needs of our growing membership and provide the latest security features for the credit union.

During the upgrade:

- We **WILL** be open
- Transactions **WILL** be limited to deposits, withdrawals, loan payment and check cashing. No other in branch services will be available.
- ATM/Debit Card transactions **WILL BE LIMITED.**
- Member service reps **WILL NOT** be able to access your account information.
- Online Banking **WILL NOT** be available
- Shared Branching **WILL NOT** be available (you will not be able to access your account at any shared branching location).
- Liberty Belle **WILL NOT** be available
